

KENTWOOD PREPARATORY SCHOOL

DRESS CODE / SCHOOL UNIFORM 2011-2012

Kentwood Preparatory School requires a dress code for students. We believe that a dress code:

- ✓ Fosters school spirit and community identity
- ✓ Helps the student develop pride in his or her appearance
- ✓ Prepares the student for the personal grooming requirements and accepted manner of dress of society in general
- ✓ Mitigates against the destructive and costly competition among students engendered by fads in dress and style
- ✓ Reduces clothing expenses for parents
- ✓ Helps to focus the student's attention on schoolwork by using clothing to differentiate between school time and other leisure pursuits
